

Transportation & Directions to the Wyatt Deck
UC Davis Arboretum

Modes of Transportation

Because of limited and distant parking on campus, we *strongly* urge the use of school buses or public transportation (Unitrans) instead of private vehicles.

By School/Private Bus:

Students may be dropped off in front of the Wyatt Pavilion Theatre at the west end of Visitor Parking Lot 5 at the intersection of A Street and Old Davis Road. From there, students will cross Old Davis Road to the Wyatt Deck.

Buses will need to park at the “Unitrans Garage” on the corner of La Rue Road and Garrod Drive on the UC Davis Campus. ***Because of scheduled road construction on campus, buses will need to head back to I-80.*** From Visitor Parking Lot 5, head north on A Street. At the stop sign, turn right onto First Street and follow it to Richards Blvd, keeping to the right at all times. From Richards Blvd, take I-80 west to Highway 113 north. Take the Hutchison Drive exit and turn right, following it to the next intersection. Turn right onto La Rue Road, and then take another right on Garrod Drive. The Unitrans Garage is on the left.

By Unitrans or Yolobus:

Classes using public transportation should take the bus that ends at the “Shields Library” or “Silo” bus terminals. From there, walk east on Hutchison Drive past the Art Building. Turn right toward Wright Hall (the Main Theatre.) Then walk between Wright Hall and the Music Building. Continue south to the Arboretum. Cross the foot bridge over the Arboretum Waterway and the Wyatt Deck will be to your right.

By Private Car:

You may park in Visitor Parking Lot 5 at the intersection of A Street and Old Davis Road, but **space is very limited**. Parking costs \$6.00 per vehicle and may be purchased at the vending machines with either cash or credit cards. Students will use crosswalks to cross Old Davis Road to the Wyatt Deck.

Alternately, parking is available in Visitor Parking Lots 1 and 2 (near the Mondavi Center.) It is a 15-minute walk to the Wyatt Deck, so please leave sufficient time. Walk north past the Mondavi Center and cross Old Davis Road into the Arboretum. Follow the footpaths to the right (east towards downtown Davis) until you arrive at the Wyatt Deck.
